A Call for Volunteers!

Mercer County Nutrition Program for Older Adults

The Nutrition Program for Older Adults provides meals, socialization, and nutrition education and counseling to adults aged 60 and over. These services are provided at ten (10) congregate settings (such as senior centers), in greater Mercer County. Good nutrition is critical to supporting independent and healthy aging. Many barriers can keep older adults from maintaining good nutrition, including lack of financial resources, poor transportation options, limited mobility, declining physical and mental health, and social isolation.

Volunteers are invaluable to the Nutrition Program countywide. It is an excellent way to serve older adults right in your own community. Trained volunteers can either help to serve meals or wipe down the tables/serving areas at the congregate meal sites.

How do I become a volunteer?

Kindly reach out to us for more information (see below for the contact information), someone from the nutrition program main office will contact you with step-by-step instructions on completing your volunteer application and getting started.

Who can volunteer?

Anyone can volunteer 18+ years or older.

Where can people volunteer?

Currently, we have four (4) active congregate meal sites that need volunteers. Each of the meal sites are open from 8:00 am to 1:00 pm, Monday through Friday. Please see the list of Nutrition Program meal sites below to choose which site works best for you and your schedule:

- Hamilton
- East Windsor
- Ewing
- Sam Naples in the City of Trenton

Who do I contact for more information?

To find out more about volunteering at your local nutrition site, please email emeara@mercercounty.org or call Edward Meara at 609-989-6650.
