

February 16,2016

Dear Financial Aid Applicants,

Please be advised we have a limited amount of financial aid and we need to be fair to all applicants. All applicants who wish to obtain financial aid must first apply for Child Care Connection. They can be reached at 609-989-7770. You will have to provide documentation that you were approved or not approved. Financial aid applications must be in to our office by the Friday, April 29th deadline. Applications will be reviewed based on your tax forms or W-2's from the previous year, household income & budget, number of people living in your home, number of children attending the camps and the number of weeks attending camp. Financial criteria will be based on the HUD Guidelines.

All applicants will receive an answer in 7-10 days. Applicants must pay CCC co-pay or the camp fee whether you receive financial aid or not, by the registration deadlines listed on the camp application. If payment is not made by those dates, you jeopardize your eligibility to receive financial aid and will have to pay a \$25.00 late fee

Thank you,

Ted Forst,
Director of Community Affairs
