**Flu Vaccine** is RECOMMENDED for ALL Adults and children aged 6 months and older (with rare exception\*), and REQUIRED for children attending nursery school and children in daycare who are 6 months to 5 years of age

\*People with severe, life-threatening allergies to flu vaccine or any ingredient in the vaccine should not receive the vaccine. If you have an allergy to eggs or any of the ingredients in the vaccine, or if you ever had Guillain-Barré Syndrome, talk to your doctor before getting the flu shot and bring doctor's permission note. Postpone getting a flu shot if you have a fever or feel ill.

**Please Note:**

- Be sure to wear **short sleeve shirts and loose fitting** clothing
- **ALL INSURANCE CARDS** must be presented
- Pregnant and breast feeding women must provide a note from their obstetrician
