

Congress of the United States
House of Representatives
Washington, DC 20515-3012
August 5, 2016

Dear Veteran:

One of my most important duties as a Member of Congress is assisting Veterans, Servicemembers and their dependents regarding VA benefits, entitlements, and pending VA claims.

In order to provide that service, my office is teaming up with the Department of Veterans Affairs to host a "One-On-One session" for all veterans who reside in the 12th Congressional District. The VA Sponsored "One-On-One session" will give Veterans the opportunity to meet with a VA representative who can assist them with any benefits and compensation questions, filing a disability claim or submitting evidence in support of a new or existing claim. The VA "One-On-One session" will be held on Thursday, August 25th from 9 am to 4 pm at my office located at 850 Bear Tavern Road Suite 201, Ewing NJ 08628. An appointment is necessary; if you would like to schedule an appointment or have any questions please reach out to Petra Gaskins in my district office at (609) 883-0026.

As the representative for the 12th Congressional District in New Jersey, I am honored to be able to bring the VA Newark Regional Benefits Office to Mercer County on Thursday, August 25th 2016 in order to serve all our Veterans and their families, who deserve the very best care. This session will be a one-stop shop for Veterans seeking assistance. Members of my staff will also be present to address any questions Veterans may have. I encourage all Veterans to attend to obtain the assistance they deserve.
