Help Shape the Future of Ewing’s Parks and Open Spaces!

Ewing Township is in the process of creating a new Open Space and Recreation Plan and we want to hear from you!

Building upon our existing open space and recreation facilities, the Township seeks to update its Master Plan’s Parks & Recreation Element. As a longtime proponent of the Ewing Park’s system where I began service to the Ewing community as a member of the Ewing Township Recreation Commission, I feel we are long past due ensuring our parks and environmental resources have a long range plan. Over the past few years we have made significant progress, but now more than ever our investment in these valued resources needs a concrete plan. Your input and opinions are critically important in helping shape the future of our parks and open space. Please join us!

-Mayor Bert H Steinmann

Take Our Online Survey!

Share your thoughts about what you value the most about Ewing’s parks and open spaces currently. Tell us what improvements or changes you would like to see by completing our online community survey. Go to https://ewingnj.org/open-space-survey. The survey will be accessible through November 24, 2019.

Paper copies of the survey are available upon request.
