EWING, N.J. 08628

TED F. FORST, DIRECTOR

March 1, 2024

Dear Financial Aid Applicants,

Please be advised we have a limited amount of financial aid and we need to be fair to all applicants. All applicants who wish to obtain financial aid must first apply for Child Care Connection. They can be reached at 609-989-7770. You will have to provide documentation that you were approved or not approved. Financial aid applications must be in to our office by the Monday May 17, 2024 deadline. Applications will be reviewed based on your tax forms or W-2's from the previous year, household income & budget, number of people living in your home, number of children attending the camps and the number of weeks attending camp. Financial criteria will be based on the HUD Guidelines.

All applicants will receive an answer in 7-10 days. Applicants must pay CCC co-pay and/or the camp fee whether you receive financial aid or not. If payment is not made prior to your child attending camp, your child will not be able to participate until payment is made in full.

Thank you,

Ted Forst,
Director of Community Affairs
