Dear Owner

Please be advised as an owner of a stormwater management facility you are required as per Ewing Township Ordinance 24-05 to maintain these facilities.

You are required to perform preventative maintenance, corrective maintenance, and aesthetic maintenance. Preventative and corrective maintenance includes the repairs or replacement to the structure, removal of sediment, debris or trash, restoration of eroded areas, snow and ice removal, fence repair or replacement, vegetation maintenance and repair or replacement of non-vegetated linings.

Inspection and maintenance logs for your stormwater facility can be found and submitted online, Ewing Township website [www.ewingnj.org/stormwater-bmp-forms](http://www.ewingnj.org/stormwater-bmp-forms) This must be filled out and submitted to Ewing stormwater official every six (6) months and after every storm that produces over 2" over rain. These best management practices and ordinances are designed to reduce flood damage, reduce soil erosion, maintain groundwater recharge, and protect public safety. If you have any further questions, feel free to call 609-882-3382 or email me [rollero@ewingnj.org](mailto:rollero@ewingnj.org)
